ROLLER DERBY

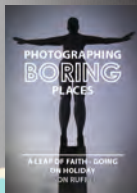

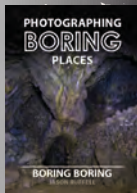

We are back. The cameras have sat idle, gathering dust, but they are now out of the bag and raring to go.

Photographing Boring Places has been a side hustle, a mechanism to put some of my non-Derby photos in to print, a give-away, just for something to do.

Then a flash of inspiration... well, it took several days. Why not put together a 'zine' of photos from the last World Cup, a track-side give-away to get some photos out in to the wild. So here it is, in all its technicolour goodness. Enjoy.

However, if this doesn't 'float your boat', and you do have a boring side, check out the boring photography as well, I promise it won't disappoint!
